Our History

McKinley Community Outreach Center is a faith-based organization. It grew out of the desire of the Willoughby United Methodist Church to be the hands and feet of Jesus Christ in the community. Working closely with the Body of Christ Church, which was already conducting the Caring Hearts Taxable Items program, a vision was born.

In the Fall of 2012 discussion began with the Willoughby School Board to take over McKinley Elementary School after it closed.

May 14, 2013, that vision became reality and the newly formed McKinley Community Outreach Center non-profit organization moved into the old school.

For the next six weeks, hundreds of hours of volunteer time went into cleaning, painting, moving furniture, printing materials, and preparing the building for the Grand Opening on June 29, 2013.

Immaculate Conception Parish moved its Society of Mother Teresa Food Pantry to MCOC on July 7, 2014 and expanded its coverage from just Willoughby residents to all of Western Lake County

With two years under our belt, McKinley Community Outreach Center is still in its infancy. Join us as we grow!

SPONSOR A FAMILY PROGRAM

Our Mission Statement

“To love our neighbors by assisting with basic needs, and creating a community of hope that supports personal and family stability as well as fostering positive change.”

“As you have done it for one of the least of these, you have done it unto me.”

Matthew 25:40

Who We Are

M

McKinley Community Outreach Center opened its doors in June 2013 to serve residents of western Lake County. Currently, an average of 275 families receive taxables and 250 receive food every month.

C

The Center helps individuals who are struggling in these financial times by providing taxable items (i.e. toilet pa-per, personal-care items, cleaning products), used clothing, household items, furniture, food and medical checks on a monthly basis.

O

Our goal is to love our neighbors by assisting with basic needs, and creating a community of hope that supports personal and family stability as well as positive change.

C

Classes for GED preparation, and workplace preparation programming are available in cooperation with Auburn Career Center and Lake County Job & Family Services, respectively. Efforts are being made to expand empowerment programming.
